This site is dedicated to the LANNERS family that has its (documented) origin in Holzthum in the Northern part of today's Grand Duchy of Luxembourg.

It is the result of a research work of [Claude Lanners](#) (born 1939, spouse of Mariette Eicher) over several years that has involved a systematic inventory of the name LANNERS in parish and civil records kept in the National Archives in Luxembourg.

The site has been implemented and is maintained by [Michel Lanners](#)

This history is necessarily incomplete, defective and never up to date, hence a call to readers to improve the site's quality by their contributions.

Use of the content is permitted for private purpose, under the condition of quoting the source.

Any commercial use is prohibited.
